The Norton Collier Trophy Competition

Entries should consist of a single subject on any aspect of Sudan or Egypt stamps or postal history. The members present judge each entry (one vote per member). The winner retains the trophy for one year.

I shall / shall not bring an entry (maximum 9 sheets) for the “Norton Collier Trophy” competition.

Bourse

The bourse gives all members the opportunity to trade surplus material with other members. The pace can be hectic! If you don't want a full table why not share one with another member? (Informal arrangements can be made on the day)

I shall / shall not require a table (fee £5 payable on the day) for the bourse on Sunday 22nd April.
